Order for INVENTA-FISCHER from Taiwan

The Engineering Company INVENTA-FISCHER – a member of the EMS-group – was awarded a contract from the Company ZIG SHENG INDUSTRIAL CO. LTD., Taipei, Taiwan for the supply of a Nylon-6 plant.

The contract covers design and engineering work and the delivery of the relevant process equipment. Additionally, INVENTA-FISCHER will delegate its specialists for the erection and commissioning of the plant.

The plant, to be built in Kuan Yin, Taoyuan Hsien, will have an annual capacity of over 60'000 tons of Nylon-6 chips. Start-up is scheduled for mid 2005.

The project value amounts to CHF 30.0 mio.

INVENTA-FISCHER had already supplied a Nylon-6 plant to this client in 1998.
